Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Improve instructional quality and alignment through CAFÉ reading and writing.
- Provide a student-centered learning climate supported by teacher aides.
- Develop the professional capacity of teachers and teacher aides. Implement a whole-school, design approach with intelligent accountability.
- Implement systems to enable the school to operate as a collegial learning organization.

Our funding achieved

- Reading – Students achieving at or above year level expectations at 82%
